CALL FOR PAPERS

The journal hereby calls for manuscripts for its maiden issue to be published in December 2022, (i.e. Vol. 5, Issue 2, 2022) as detailed below.

Submissions

All articles are subjected to a double-blind peer-review process. Manuscripts are invited from academics, researchers, and practitioners for publication consideration in all areas related to Library and Information. Each manuscript must include 200 words abstract. Articles are accepted in MS-Word format only. Submitted articles should strictly follow the format of the sample article which can be found on the journal website at http//unilorin.edu.ng/fcis/uijlis

The article for consideration should be submitted as an e-mail attachment to tellayinkaedu@yahoo.com or abdulmumin.isah@yahoo.com, isah.a@unilorin.edu.ng

Manuscript requirements

Please prepare your manuscript before submission, using the following guidelines:

Format	Article files should be provided in Microsoft Word format.
Article Length	Articles should be between 5000 and 6000 words in length. This includes all text including references and appendices. Please allow 280 words for each figure or table.
Author Details	All contributing authors' names should be provided, and the names should be arranged in the correct order for publication. • Correct email addresses should be supplied for each author in their separate author accounts • The full name of each author must be present in their author account in the exact format they should appear for publication, including or excluding any middle names or initials as required
Biographies and acknowledgments	The affiliation of each contributing author should be correct in their author account. The affiliation listed should be where they were based at the time that the research for the paper was conducted. Authors who wish to include these items should save them together in an MS Word and send with the su———+bmission. If they are to be included, a brief professional biography of not more than 100 words should be supplied for each named author.
References	Authors are advised to strictly adhere to the latest version of APA for both the in-text citation and end of paper references.
